

Marking Deadlines

The University Grants Commission decided that the results of Internal (Undergraduate & Postgraduate) Examinations should be released within a period of three (03) months from the date of examination and informed the Higher Educational Institutions by the Establishment Circular Letter No. 15/2015 on November 17, 2015. It further stated that this decision is effective from 01.11.2015.

In order to implement this decision and avoid the delays in releasing the results, CQA/EUSL propose the following deadlines for releasing the results:

| | | |
|---|---------------------------------------|---|
| 1 | Completion of the first marking | Within five weeks from the date of the examination. |
| 2 | Completion of the second marking | Within nine weeks from the date of the examination. |
| 4 | Department Work | Within ten weeks from the date of the examination. |
| 3 | Release of the results by the Faculty | Within three months from the date of the examination. |

Note: If the results are released within three months from the date of the examination, these deadlines will not apply.
